NOTE FOR THE DIRECTOR

SUBJECT: Recommendation that you
invite Secretary Shultz to
address SIS officers

Past visits of President Reagan and Vice President Bush to CIA were helpful in boosting morale and organizational self-esteem. I suggest you invite Secretary Shultz to spend thirty minutes with SIS officers in the igloo some time in December. This would provide a further boost and would undoubtedly tell us a good deal we don't now know. Attached is a draft letter to Secretary Shultz if you decide to implement this idea.
